Two-player

It pays to be
part of this war.
Because soon,
thousands of
arcaders will be
fighting to pay for a
screenside seat.

BAY ROUTE
reaffirms SUNSOFT's
commitment to legions
of U.S. arcade operators.

With a frighteningly
real portrayal of
post-armageddon
destruction and
devastation. And graphics
as revolutionary as the
combatants they portray. If
you bought only one new game
this year, this would have to be it.
BAY ROUTE is about to explode.
